Gladys Girl

WHAT ARE THE QUALITIES OF A GLADYS GIRL?

She knows her limits, but does not form any false boundaries that might hold her back from trying something new. She accepts challenges with enthusiasm. She sets small goals on a daily or weekly basis in order to achieve the much larger goals that she has set for her future.

A Gladys Girl has an effervescent and lighthearted personality, never taking herself too seriously. But she does have a very serious side that is always there to help a friend in need. Her friends say that she is honest and true.

She believes that everything happens for a reason and that there is a power higher than herself that she must trust. She has an indomitable spirit that wholeheartedly rejoices and graciously accepts every win, while viewing losses as only temporary setbacks with a lesson to be learned from each and every one. She believes in the power of a positive attitude, never asking "why me" when things don't go her way.

A Gladys Girl lives by the motto "Never pass up an opportunity because you may never get a second."

YOUR STYLE ICON ROLE MODEL? Blake Lively (some people say I look like her)

YOUR FASHION DESIGN ROLE MODEL? Adrienne Vittadini (for her pure and classic looks)

YOUR FASHION INSPIRATION ROLE MODEL? Gordana Gehlhausen (for her use of exquisite fabrics)

YOUR MUSICIAN ROLE MODEL? Chris Martin (lead singer, guitarist of the alternative band Coldplay)

WHO IS YOUR GLADYS? I actually have two Gladys in my life, my 24 year old twin sisters. One has her master's degree and is a Physician's Assistant, married with a little son. And the other is an Elementary School Teacher, who just married her college boyfriend. They have always been my role models.
