**WHAT ARE THE QUALITIES OF A GLADYS GIRL?** She's an inspirational role model representing the "today's fresh woman" who isn't afraid to be a little daring with her style.

**WHO IS YOUR HOLLYWOOD ROLE MODEL?**

Reese Witherspoon. She's not only a great actress, but she is classy and sophisticated.

**YOUR STYLE ICON ROLE MODEL?**

Taylor Swift can make anything look so natural, fresh and vibrant.

**YOUR FASHION DESIGN ROLE MODEL?**

I love Betsey Johnson Designs. They are fun, free and funky!

**YOUR FASHION INSPIRATION ROLE MODEL?** My fashion ideas lead me many places. My real secret is that "style" is way more than clothing.....it is about your inner being.

**YOUR MUSICIAN ROLE MODEL?** A Musician Role Model for me is definitely Kristen Chenoweth, but I also am truly in love with American Idol Carrie Underwood.

**YOUR HISTORICAL ROLE MODEL?** Harriet Tubman. I have learned lots about her and the Underground Railroad system. I just cannot imagine the trips she made in the dark, while her life was on the line. Yet, she continued to bring others to safety. This is true bravery.

**WHO IS YOUR GLADYS?** My personal Gladys Girls are my two special aunts. Besides taking time to be great mothers, my aunts hold down full time professional jobs. They always are willing to help others in our community and yet still look like "hotties." I have learned so much from them that they will never know what a "Gladys" they really are!
