

The Love of Beauty

Photography by Orlando Perez

1st Look Red

- 1 Step 1 Skin** - Use MAC Strobe Cream as a primer for the skin face and neck to give an opal essence.
- 2 Step 2** - Use MAC #190 Foundation Brush with MAC Copper Pigment to apply all over from the eyes up and also apply from the chin down on to the neck and shoulders.
- 3 Step 3** - Use MAC #187 Fiber Brush pressed MAC Neo Orange Pigment on top of the MAC Copper Pigment all over the eyes and neck followed onto the shoulders.
- 4 Step 4 Lips** - Use MAC Copper Pigment mixed with Lip conditioner to make the pigment adhere to the lips.
